

DAY 1 TASK 1

The screenshot shows the Jenkins web interface in a browser. The address bar displays 'localhost:8080/jenkins/1/'. The Jenkins logo and 'bhavana' user profile are at the top. The main content area shows the status of build #1, which is successful. A sidebar on the left contains links for Status, Changes, Console Output, Edit Build Information, Delete build '#1', and Timings. The build details section shows it started at 9:55:03 AM on March 20, 2025, by user bhavana. It lists the run's timing: 33 ms waiting, 16 sec build duration, and 16 sec total from scheduled to completion. A 'No changes' message is shown at the bottom. On the right, there are buttons for 'Add description' and 'Keep this build forever'. The bottom right corner of the page indicates 'REST API' and 'Jenkins 2.502'.

Dashboard > jenkins > #1

Started by user [bhavana](#) Started 22 sec ago
Took 16 sec

This run spent:

- 33 ms waiting;
- 16 sec build duration;
- 16 sec total from scheduled to completion.

No changes.

REST API Jenkins 2.502

The screenshot shows the Nginx welcome page in a browser. The address bar displays 'localhost'. The page has a dark background with white text. It says 'Welcome to nginx!' and provides instructions on how to proceed with configuration. It also includes links to online documentation and commercial support. The bottom of the page shows the system tray with various icons and the time '15:25 20-03-2025'.

Welcome to nginx!

If you see this page, the nginx web server is successfully installed and working. Further configuration is required.

For online documentation and support please refer to nginx.org.
Commercial support is available at nginx.com.

Thank you for using nginx.
